### **Cobblestones Fine Gifts and Home Décor Donates Funds to Support Cancer Patients**

Philadelphia, PA - Cobblestones Fine Gifts and Home Décor is a great destination to find that perfect gift for a wedding, housewarming or everyday occasion. It's also a great place to give back to the community while you shop!

The proprietors, Joel and Nancy Mayor, gave 10% of their sales every Tuesday during the summer months to Crossing the Finish Line (CFL), a local non-profit organization that supports young adults with cancer. In the end, they raised \$400.

CFL provides young adult cancer patients, ages 24 to 50, living in Pennsylvania, New Jersey and Delaware, and their families a “retreat” from the unyielding physical and emotional demands of treatment in the form of a one-week, all-expense-paid excursion to select locations along the East Coast and in California. Upon the patient's return home, CFL provides ancillary services to the patients and families as their battle with cancer continues.

“Their approach to helping families at this time of illness can be extremely important to the entire family - giving them that extra time together, that many never get to experience.,” Joel Mayor reflects on the importance of what this organization means to him and his family. Having experienced the loss of a child to Leukemia, Joel and Nancy both felt that Crossing the Finish Line is a worthwhile organization.

CFL was established by Marci Bossow-Schankweiler in 1999 in memory of her husband, Peter R. Bossow, Jr., whose heroic fifteen-month battle with cancer ended on September 1, 1999. Since its inception, CFL has served more than 700 patients and their families.
