

The Field of Dreams

The opportunity to participate in the All-Star Game is truly a dream come true! Marci's dream for Crossing the Finish Line is to help young adult cancer patients and their loved ones all across the nation! Can you make this dream a reality?

Help align us with our travel partners: we need partners in the airline industry, car rental industry, cruise line industry, hotel and resort companies, and all other travel related industries.

Donate one week of your second home for a CFL family to use – learn more about our home donation program.

Do you provide a product that compliments the respite vacation? We provide families with journals, robes, cameras, hats, inspirational writings, etc. to make the respite even more meaningful and memorable.

Make a monetary gift to help pay for the daily stipend and other costs associated with our travel respite program! Your gift helps so many families in need – and puts smiles on the faces of strangers.

To join our mailing list, or to share an idea with Marci, please e-mail marci@crossingthefinishline.org
