For Pete's Sake Cancer Respite Foundation enables cancer patients and their loved ones the opportunity to strengthen, deepen and unify their relationships by creating unforgettable and lasting respite vacations.

This Year, We Are Especially Grateful For...

The unyielding support extended during our name change this year! Many thanks to Sides Media, Vault Communications, Princeton Partners, Modern Graphics, RavenWood Creative, iBeast Business Solutions, Inc. and Stellarpoint Group. Their expertise helped us take this courageous and emotional step.

The students, teachers and parents at Gwynedd-Mercy Academy Elementary who launched our Backpack Buddies Program that brings joy and fun to the children of our patients.

Our new travel partners, Southwest Airlines, Morey's Piers, Gillian's Wonderland Piers, Woodloch Lodge Camp Kieve and CheapCaribbean.com.

The privilege to impact 122 families, with 103 nominations from cancer centers within the past year alone.

Our friends at Brandywine Realty Trust, Lakash Constructors, Spectrum, AGG Architecture and Movers Specialty Service who are helping us move to our new office at:
620 W. Germantown Pike Suite 250
Plymouth Meeting, PA 19462

Our relationships with our friends at Major League Baseball and the Philadelphia Phillies, especially in light of our For Pete's Sake, Walk! event held in April at Citizens Bank Park.

Our donors who give so generously of their time, our families can take a cost-free, care-free break from cancer.

For people, schools and groups hosting their own fundraisers to help families take a break from cancer beyond our home base, these events are vital to our program success!

Our Survival Partners, those businesses that ensure each day we have a roof over our heads, technology at our fingertips and chairs to sit on. These simple luxuries mean so much.

The employees of Phillips Corporation, an international company that has developed a corporate initiative with us to bring our mission to new regions throughout the country!
